Identifying more and less with groups of objects. Using timers and clocks.

Splash Class Curriculum Overview

Autumn Term 2020

Kingdoms and Communities

At Ellingham our focus is on the learning we want to see happening in the classroom. We plan weekly activities but operate a flexible curriculum so that children learn in the way that interests them most.

Literacy

Recognising and using RWI set 1 sounds in phonics lessons.

Using phonic knowledge to read CVC words.

Listening to, joining in with and talking about lots of stories with interest and enthusiasm.

Playing games using initial sounds and rhyming words.

Reading poetry and non-fiction texts.

Writing my name, writing letters, lists, recipes, stories, menus, labels etc. in play.

Developing a correct pencil grip

Recognising my written name around the classroom.

Knowledge and Understanding of the World

Changing seasons: Autumn trees and seeds.

Harvest: finding out where our food comes from; harvesting our crops from the garden.

Investigating the local area, identifying coast castles and farmland. Drawing maps.

Knowing how local people lived long ago.

Technology: using timers and thermometers.

Computing: Taking photographs and recording sounds while exploring the local community.

RE

Learning about ourselves, that we are special and unique and that God made us and loves us all.

Learning about others; to respect differences and love each other, in our class and our school family.

Learning to love God's creation; looking at autumn, exploring the natural world.

Christmas: becoming familiar with the Christmas story and learning why Jesus was a special baby.

Joining in with school worship in our bubble and sharing thoughts and ideas.

Expressive Arts and Design

Selecting resources to design, cut, join and decorate own models and pictures.

Making junk models to investigate shape structure and strength.

Using natural objects in imaginative play.

Experimenting with instruments and sounds.

Observing and drawing natural objects.

Using playdough to make 3D sculptures.

Imaginative play building shelters, role play in home corner, Santa's workshop.
