

Learning Journal
End of Year Review
Splash 2017

This year we have had a wonderful time.....we have all grown taller, braver, kinder and stronger.

We have made friends, models, pictures, paintings, buildings, holes, ships, sandcastles, music, cookies, mud pies, games and memories.

We have learned to count, calculate, read, write, draw, dream, listen, dance, sing, share, take turns, work together, work hard, look hard, listen, remember and tell our story.

What a great year. Well done everyone!

Teamwork can make the dream work.

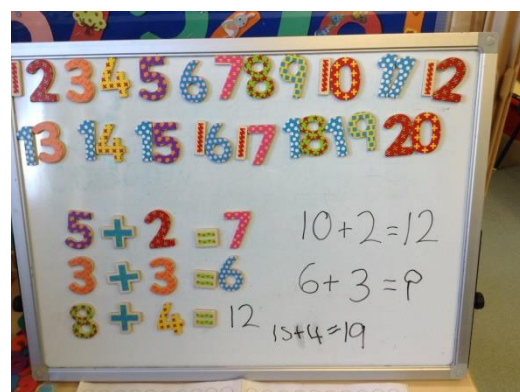

We are proud of our achievements!

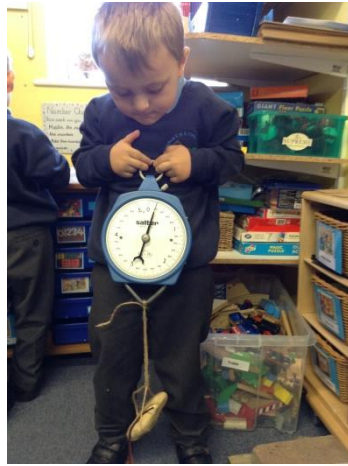

We explore with confidence and are excited about discovering the world around us.

We love playing with and finding out about numbers and we can use them in our work.

We can weigh and measure in lots of practical situations.

We are amazingly creative in all sorts of ways.

We assess risk and know how to keep ourselves safe and healthy.

We love all living things and we care for them and respect the world around us.

We read and write
 confidently and for a
 purpose.

And we just love an adventure whenever we get the chance!

We have really enjoyed working with your children this year and their enthusiasm and excitement have inspired us all. We hope you enjoy some family time over the summer holidays and have lots of adventures to tell us about when we return to school. Thank you to all our parents for their support of the school and their patience while our building work was being completed. We look forward to seeing you all in September.

Mrs Swinbank, Mrs Rutter and Mrs Hammond
