

Key Stage 2 Synagogue Visit

Key Stage 2 visited the Orthodox Synagogue in Gosforth for a fantastic Judaism workshop. We had lots of artefacts to handle and some lovely people called Alan and Martin who told us all about Jewish life and traditions. We tasted food, celebrated festivals and even had a wedding!!!

This is a copy of the Torah, a Passover or Pesach meal and celebrating Shabbat.

We wore a kippah, prayer shawls and dressed up to celebrate Purim.

We held a Jewish wedding under a traditional canopy where the groom walked 7 times round the bride then smashed a glass to show that their love would never end.

We spent some time in the synagogue itself, where we saw the Torah and the Ark and heard all about Jewish worship. When we returned to school, we remembered lots about the day and prepared talks and Power Point presentations for the younger children in school.
