

Headteacher's Blog December 2021

Robinwood Residential Visit

We were delighted to be able to go on this residential- our first since 2019! All of Year 6, and four brave Year 5s, had a brilliant, challenging adventure and did our school proud.

Christmas Activities

Despite not being able to do many usual events, or being able to invite families into school, it has still been a magical time at Ellingham Primary, with visits from Santa Claus (virtually, of course), naughty elves, Christmas crafts, epic Christmas lunch, parties and presents. We are looking forward to seeing the video of the delayed

Nativity- all going well, when it is filmed on Thursday! We will let you know how to access the recording, securely, once completed.

Covid-19 Update

We have continued to maintain our two pupil bubbles, with staff being able to move between them, if needed.

I am not sure what January will bring, but I will update risk assessments etc. prior to our return. Thank you for continuing to let us know if there are any cases within your households. We will, of course, keep remote learning on standby, but we would love not to need it.

Take care and best wishes for Christmas and the New Year from all of the staff!
