

Learning Journal 12.12.14

Well the photos say it all this week. Your children did an amazing job in the Christmas performance and really enjoyed showing you their singing and acting skills. It was lovely to see how confident they all were and how excited join in the performance. We have now re-homed as much costume as we can so if anything is still missing please let us know.

We have had an amazing Christmassy time and the children have been really sensible and well behaved even though they were very excited. Father Christmas was so pleased to see us at Alnwick Garden and we had a long chat with him. He was happy to have all the children on his good list and we gave him some letters that we had written to remind him what we are hoping for on Christmas Day. Please come and ask if you want to know what was in your child's letter. We must also say a big thank you to our PTA, FACES who raise the money to pay for all our fantastic school visits.

We also performed our play again at Christon Bank Church, who were delighted to hear the children sing and watch them perform. Despite losing several children to sickness and sore throats we managed to reproduce a mini version for them to enjoy.

In between we have still continued to work hard, practising our writing and our number work. Here are pictures of your children concentrating really hard while they are writing their letters to Father Christmas and writing cards and preparing decorations in Santa's Workshop. All the children in Splash work very hard every day and are always proud of their achievements.

Next week we have:

Tuesday: Visit to Little Acorns Nursery to do some outdoor Christmas activities in their woodland.

Wednesday: Whole school trip to Seahouses Hub to watch *Get Santa* followed by Christmas dinner at school.

Thursday: Doxford Hall Christmas party. Early Years children to come straight to Doxford for 12.30. Reception come to school in their party clothes but please bear in mind they will play outside at some point.
