

PUPIL PREMIUM

2013/14

The Pupil Premium is funding given to schools to support specific groups of children who are vulnerable to possible underachievement. These groups include those who receive Free School Meals (FSM), Looked after Children (LAC) and those pupils of Armed Forces families. For Free School Meals it also includes those pupils who have been on the FSM lists at any point in the previous six years. In the financial year 2013/14 this equates to £953 per student. Those pupils of Armed Forces families are also allocated funding of £300 per pupil.

The aim of the pupil premium is to close the gap in attainment between the lowest and highest attaining pupils. Ellingham School received £6,918 with regard to its January 2013 school census data. Specific pupil progress data is not given due to small cohort sizes.
