

Commando Joe's - Ellingham C of E Primary School October 2020

Following lockdown, we realised how important supporting pupil wellbeing would be on a return to school. Our pupils, and staff, have loved CoJo's since we introduced it last year. So this half term, we have been working on completing various Commando Joe's missions which support the children in developing their communication, resilience, problem solving and collaboration skills. It has been fantastic seeing the children engage, enjoy and support each other along the way!

We now have to consider bubbles and cleaning or quarantining equipment, but it is so much worth the effort.

Here are some quotes from the pupils and staff on Commando Joe's:

'It is a great way to get the children working together, building up valuable relationships.' Miss Foster

'I like CoJo's because it gets my energy out and after it I feel happier.' Oliver B

'CoJo's is great!' Florrie

'It is innovative and I enjoy watching the children problem solve.' Mrs Lester

'I enjoy Commando Joe's because it is all about teamwork.' Finn

'CoJo's is a great activity because you think you are on a real mission and it doesn't feel like work. Annabel
