For some pupils, daily communication through the use of a home/school contact books is appropriate.</p> <p>Northumberland Information, Advice and Support Service is a free, confidential and impartial service for children and young people (up to 25 years) with special educational needs or disabilities (SEND), and their parents and carers.</p> <p>The information, advice and support provided by the service covers the full range of education, health and social care as defined in the SEND Code of Practice 2015.
