

Learning Journal 20.10.14

This week's journal is a bit late because we wanted to share our special show that came to school today. It was a story about two bees called Betty and Bertha who had to be very brave and we loved watching it and joining in with the actions.

There was lots of dancing and music and we were all fascinated for nearly an hour. After the show we did workshops to explore different parts of the story. It was lots of fun and we were all very brave.

Last week Miss Pringle and Mrs Rutter showed the children how to make sausage roll pigs. They made pastry, then filled it and baked it into a pig shape. We hope you enjoyed eating them at home.

Some Reception children have been working really hard to recognise their numbers to 10. Here we are with all our numbers set out on our whiteboards.

These lovely hedgehogs were a fun counting activity organised by our student Mrs Crane who joins us every Friday. We had to count lots of spines to make our hedgehog. You can see the finished models outside our classroom.

It was lovely to see lots of parents at Parent consultations last night. If you couldn't make it but still want to discuss your child's progress, please make an appointment after the holiday.

Your children are all very tired and lots of them have bad colds. We hope you have a nice, restful week off school and come back refreshed and ready to learn. All the staff are delighted with the great start our youngest children have made in school this year and have commented on how quickly they have settled and how well they have adapted to school life. Thank you for sending them with PE kit, swimming kit, jumpers, coats, toast money and all the other equipment needed for a week at school.

Toasty Tuesday will happen after the holiday....we promise!
